34th & 35th Annual Specialties

Our club's annual back-to-back specialties, held on March 5th and 6th at the Sheraton North Houston at George Bush Intercontinental, are fast approaching and Show Chairman Kathy Daniel vkdaniel@comcast.net is looking for volunteers.

At this time we need help with set up (afternoon of March 4th) and take down (afternoon of March 6th). We can also use Ring Stewards for obedience and rally, so let Kathy know if you can volunteer.

Cooper's Rescue Corner

Club member Kathy Daniel runs the GHPWCF rescue efforts. Because of her work and those members before her, the club has found homes for numerous corgis since the club's inception in 1983.

Baby

Our current rescue is a corgi mix named Baby. She's just over a year old, spayed, and likes other dogs and cats. You can see more about Baby, and her photo, on our [Facebook page](#). If you think your family or someone you know would be a good fit, contact [Kathy](#) or click on the link below.

Adopting a corgi is special calling. To learn more about our rescue program, or to apply as a candidate for our adoption list, please [click the link](#) for more information.

The agility trials are also a great opportunity to socialize your young puppies. Corgis make great timekeepers.

mask (or we can provide one to you). Half day shifts are available but we would love to have you there all day. Throughout the day there are anywhere from 8 to 9 classes for entrants. As the host club we sign up for jobs for each class, such as Scribe, Timer, Gatekeeper, Leash Runner and two Ring Crew members. Don't know how to scribe or time? No problem! There's always a club member or person at the event who can train you for the job.

The agility trials make for a fun weekend and is one of the few times we can get together and catch up with friends during the pandemic. *And watch some amazing agility competition!*

What to Expect at the Agility Trials by Allison Schmidt

Our club sponsors four weekends of agility trials throughout the year at the **Dog Gone Fun Agility Center at 9310 Max Conrad Drive, Spring, TX 77379.**

If you haven't volunteered before, please give it a try. These are our club's #1 money-maker and make the annual specialties possible.

There are a number of things our members do at these trials. Marian Your emails a sign up sheet a few weeks before. The trials are held on a Friday through Sunday. We ask that you arrive at the venue by 8:30am with your
